We are holding our regular "FFPRI O-sagari Mottette" event.

Do you have items that you are no longer using but are still perfectly usable?

Instead of throwing them away, why not pass them on to someone who can use them?

In response to participant feedback, this year's event will accept not only children's items but also adult items for exchange.

Please join this environmentally friendly initiative, which also provides a valuable opportunity to connect with fellow parents and colleagues.

Information for Exhibitors
